Homework #2 (Due Monday September 15) Time To Sketch...

A sketch is a rapidly executed freehand drawing that is not intended as a finished work.

Task: You will need to sketch out one uppercase and lowercase letter of your choice for each typeface category. *This will leave you with a total of 7 uppercase and lowercase letter sketches.*

Example of a sketch

- Your letters are to be original and conform to the rules of the specific typeface you are drawing.
- Label and mark each sketch with: Cap Height, X-height, Base Line and Beard line and Classification.

Typefaces: Oldstyle, Modern, Slab Serif

Sans Serif

Script, Decorative, Black Letter

Complete on graph paper, drawing paper or your own paper.

Extra credit: Do more than 7 uppercase and lowercase letter sketches and receive extra points for each extra sketch.
